## **PREPARATION OF MANUSCRIPTS**

Contributors are requested to submit manuscripts in the following manner.

Articles should be typed, double spaced, on one side of the paper only leaving an adequate margin for instructions.

Articles longer than 5,000 words may need to be divided into parts and published in one or more issues.

The *Macquarie Dictionary* and the Australian Government Publishing Service *Style Manual* are used for spelling and style, including footnotes. Bibliographic details should be given in full, without abbreviations.

Illustrations are welcome — good quality black and white prints are best for reproduction.

Two copies should be submitted. Contributors should ensure that their name appears only on a separate page. A short abstract, approximately 100 words, should be included, together with a note for “About the Contributors”.
