

Keeping Archives

Editor: Judith Ellis

**The second edition of this
international best-seller is
now available**

practical | informative | innovative

Now firmly established as the standard student text and standard professional reference internationally, the second edition of *Keeping Archives* covers the fundamentals of archives administration in a practical and informative way and presents innovative new approaches to perennial problems.

An essential manual for the seasoned professional as well as those new to archives administration

a stunning achievement . . . infinitely superior to any other work on archives in the local or international literature . . . brings order out of chaos . . .

Andrew Lemon, *Victorian Historical Journal*, on the first edition
