

Letter to the Editor

Dear Editor

Thank you for Shauna Hicks's review of the Public Accounts and Estimates Committee Inquiry into the Public Record Office Victoria.

In her last paragraph Shauna comments 'that it will be interesting to see which recommendations are implemented'. The Victorian Government's response to the Review was in fact tabled in Parliament by the Premier in April – before the cover date for the May issue but after, I know, Shauna's copy deadline. While I have been promoting the Statement and distributing it widely it may be that some of your readers are not aware of it. The Government response as tabled in the Victorian Parliament on 8 April 1997 is on the PRO web site at <http://www.vicnet.net.au/~prov/>. It is also available from the PRO, Level 2, Casselden Place, 2 Lonsdale Street, Melbourne, for anyone needing a print copy.

The Premier's Statement provides clear direction for the PROV and, as well of course, promises exciting times ahead for us all!

Yours sincerely

Ross Gibbs

Director and Keeper of Public Records
