Preparation of Manuscripts

Please contact the Editor for information about the submission and presentation of manuscripts. A short abstract, approximately 100 words, should be included, together with a brief biographical note.

Articles longer than 5 000 words may need to be divided into parts and published in one or more issues.

Illustrations are welcome - good quality black and white prints are best for reproduction.

The Macquarie Dictionary and the fifth edition of the Australian Government Publishing Service *Style Manual* are used for spelling and style, including endnotes. Bibliographic details should be given in full, without abbreviations.

Where articles have been fully refereed, a statement to this effect appears following the abstract.
