THE JOURNAL OF THE  
AUSTRALIAN SOCIETY OF ARCHIVISTS

VOLUME 29 NUMBER 1 MAY 2001

## **The Archivist's Mission**

Archivists ensure that records which have value as authentic evidence of administrative, corporate, cultural and intellectual activity are made, kept and used. The work of archivists is vital for ensuring organisational efficiency and accountability and for supporting understandings of Australian life through the management and retention of its personal, corporate and social memory.
